END OF TERM 3
We are coming to the end of another busy and productive term at GPS. I commend all our students who have worked hard to improve, in any area, and especially those who come to school every day with a positive attitude to their learning, as well as showing school spirit and enthusiasm for the many opportunities they are given.

Our Gold Award Assemblies will be held this Friday 18 September in the school hall. K-2 will be at 9am and Years 3-6 at 10am. This is a time to celebrate students who are respectful, responsible and dedicated learners, who have earned their Gold Award. This means they will be eligible for a Principal's Medallion in Term 4.

TERM 4
Next term we will be holding our school fundraiser – International Day on Thursday 5 November. Students will soon be given their order forms for showbags, and many activities are planned including jumping castles, minute to win it games, face painting, colouring and craft activities, a photo booth, fairy floss and lots of food stalls. Bankstown City Council will have a stall with visitors from many community groups and programs for parents to find out about. Many classes will also perform songs and dances from around the world to entertain you in a morning assembly. Please save this date, and encourage the whole family to come to school for this special event. Funds raised on this day will go towards new furniture in the school kitchen and Years 3-6 outdoor play equipment.

I wish all our students, families and staff a relaxing and happy holiday.

Students and staff return to school next term on Tuesday 7 October.
